Justification of Proposed Language Changes

1. Delete: " : *Provided further*, That none of the funds appropriated to the National Park Service may be used to implement an agreement for the redevelopment of the southern end of Ellis Island until such agreement has been submitted to the Congress and shall not be implemented prior to the expiration of 30 calendar days (not including any day in which either House of Congress is not in session because of adjournment of more than three calendar days to a day certain) from the receipt by the Speaker of the House of Representatives and the President of the Senate of a full and comprehensive report on the development of the southern end of Ellis Island, including the facts and circumstances relied upon in support of the proposed project"

This language is proposed to be deleted as unnecessary.

2. Delete: "Notwithstanding any other provision of law, the National Park Service may convey a leasehold or freehold interest in Cuyahoga NP to allow for the development of utilities and parking needed to support the historic Everett Church in the village of Everett, Ohio."

This language is no longer needed because it has served its purpose.
